1. PURPOSE: To establish procedures for permitting inmate visiting at the Federal Transfer Center, Oklahoma City, Oklahoma.
2. DIRECTIVES AFFECTED:
 - A. Program Statement 5267.07, Visiting Regulations, dated April 14, 2003, is referenced.
 - B. Institution Supplement OKL-5267.07, Visiting Regulations, dated March 15, 2003 is canceled.
3. STANDARDS REFERENCED:
 - A. American Correctional Association, 4th Edition Standards for Adult Local Detention Facilities: 4-ALDF-5B-01, 4-ALDF-2A-61, 4-ALDF-5B-02, 4-ALDF-5B-02, and 4-ALDF-5B-04.
4. PROCEDURES:
 - A. Visiting List: Visiting lists will be compiled in accordance with procedures established in Program Statement 5267.07, Visiting Regulations.

To be added to a visiting list, the person must have known the inmate prior to incarceration. The Warden must approve an exception to this rule. This does not apply to transferring inmate visiting lists.

DISTRIBUTION: Warden, AW(O), AW(P), Exec. Asst., Documents Control, Historical File, All Department Heads, AFGE

Unit staff will review visiting lists with the inmate to ensure its accuracy. This review will also ensure that no previously approved visitors pose a threat to the security and good order of the institution. When an inmate requests a change to his visiting list, and the requested change conforms to Program Statement 5267.06, Visiting Regulations, unit staff will make the change. The Unit Team will forward or electronically transfer a copy of the visiting list to the Lobby Officer. A signed file copy will still be maintained in the inmate's central file.

B. Visiting Hours:

Saturday and Sunday - 8:00 a.m. - 3:00 p.m.

Federal Holidays - 8:00 a.m. - 3:00 p.m.

C. Visiting Regulations:

The following visitation limitations are necessary to maintain the balance between institution security and the purpose of visits.

- 1) Inmates assigned to the Federal Transfer Center (FTC), Oklahoma City, Oklahoma, will be allowed to visit with approved visitors on Saturdays, Sundays, and all Federal Holidays. Inmates in holdover/admission status will be limited to special visits and visits from immediate family members only.

Each inmate will be allotted four visiting points per month. One point will be applied against the allotment for each weekend day and two points will be applied against the allotment for each federal holiday a visit is received. Attorney, Minister of Record, and Hospital visitation does not apply against the point system. Clergy visits will count against the number of total visits authorized. Unused points will not be carried over to the next month. Special visitation may be approved once an inmate makes a written request through the Case Manager to the Unit Manager for final approval/disapproval. Special visits will only be considered for emergencies or special circumstances. Special visits will not be considered for general visitation when an inmate has utilized all available monthly allotted points. Point(s) will be applied against the allotment regardless of the duration of the visit (to include termination due to overcrowding). An inmate who receives more than one visit per day and/or whom exits and reenters the visiting room will have a point applied against the visitation allotment for each visit. The Front Lobby Officer will maintain accountability of visitation points utilizing the Visitation Point Form, Attachment D. The Visitation Point Form will be maintained in the inmate's visiting file for one year.

- 2) In the event of overcrowding in the Visiting Room, initially, a request for volunteers will be solicited for the purpose of terminating visits. If an insufficient amount of volunteers are obtained, to alleviate the overcrowding condition, those inmates who have local area and then tri-state area visits will be terminated. If the overcrowding problem is not resolved at this point, those inmates who have been in the visiting room for the longest

period of time will be the next to have their visits terminated, if the overcrowding situation has not been resolved. Attorney visiting rooms will only be used for attorney and clergy visits with an inmate. Regular visitation will not occur in these rooms.

- 3) No more than five visitors, children included, will be permitted to visit one inmate in the visiting room at any given time. Children entering the institution with an inmate visitor must be those who are immediate family members of the inmate or the visitor(s). Inmates will be held accountable for the conduct of their visitors, to include children. Seating assignments in the visiting room will include chair(s) for children.

Proposed visitors who are 16 or 17 years of age, and not accompanied by a parent, legal guardian or immediate family member at least 18 years of age, must have the written approval of a parent or legal guardian prior to visitation. This type of visit will be reviewed and approved by the Unit Manager prior to visitation occurring.

- 4) The Visiting Room Officers will determine the seating locations for inmates and their visitors. Inmates who require closer supervision, (i.e., Maximum Custody, Special Housing Unit, etc.), will be seated nearest the supervising officers. The Captain will approve all visitation for inmates with Maximum Custody.
- 5) A 10:00 a.m. stand-up count will be conducted on weekends and holidays. This is a mandatory count, and all inmates are to be standing. Visitors will not be allowed to enter the Visiting Room after 9:00 a.m. An out count of all inmates in the Visiting Room will be prepared by the Visiting Room #1 Officer and submitted to Control by 9:15 a.m. Upon completion of a clear count, normal visiting will resume.

D. Security and Admission Procedures:

- 1) Visitors will park in the designated parking area. Visitors will walk to the Front Entrance where they will be processed for visiting. Visitors who refuse to park in the designated parking area will not be authorized to visit. People not authorized to visit will not be authorized to sit in their car or lobby area. Unauthorized visitors will be asked to immediately leave the institutional grounds.

After a visitor's identity has been determined using a valid form of picture identification, they will be directed to prepare the Notification to Visitor form, Attachment G. Once the form has been prepared, the visitor will be instructed to walk through and pass the freestanding metal detector scan. The Front Lobby Officer will then ensure the visitor(s) sign the Inmate Visitors Log.

Once this has been accomplished, the Visiting Room Officer will be contacted and advised of the visitor. Visitors will only be permitted to carry small coin purses, and the following baby items into the Visiting Room:

- 1 small non-quilted blanket (under 2' x 2') (infant)
- 3 disposable diapers (per child)
- 3 pre-mixed clear plastic baby bottles
- 1 small packet of baby wipes (no more than 20)
- 1 small tube of diaper rash ointment (if necessary)
- 1 small baby's bib
- 1 empty child spill-proof cup

The items noted above will be the only items taken into the Visiting Room. A visitor may not take in baby toys, baby foods (glass or plastic containers), spoons, teething cookies, powder milk mixes, extra clothing, or diaper bags of any kind. All purses and other items not authorized will be secured in their vehicles or in the lockers provided at the Front Entrance. The Lobby Officer will ensure all carry items are thoroughly searched before they are permitted inside the secure perimeter, or placed in a Front Entrance locker.

Visitor locker keys will be issued by the I.D./Key exchange system. Visitors will surrender their I.D. card in exchange for a locker key. The Lobby Officer will retain the I.D. card, noting on a Visitors Locker Key Check Out Form, Attachment C, the chit number which is assigned to the visitor. The officer will hang a chit in the key box until the visitor(s) returns the assigned key, at which time, the I.D. card will be returned to the visitor(s). The Front Lobby Officer will note the issue of all locker keys on a Visitors Locker Key Check Out Form, noting which locker/key number and chit number they have been assigned.

Visiting will be terminated once the inmate's visitor(s) departs the Visiting Room. Inmate's visitors will not be permitted to return to the Visiting Room once a visit has been terminated for that day.

- 2) Number of Visitors to Enter with Each Group: The Lobby Officer will coordinate with the Visiting Room Officer regarding the amount of seating space available in the Visiting Room. When seating is less than the group coming to visit, the visitors will be so advised. The visitors may wait in the Front Entrance until seating permits the visit, or leave the institution and return later. Visitors will not be allowed to wait in their vehicles. The Visiting Room Officers will track the number of visitors utilizing the Inmate Visitors Log (Attachment B).
- 3) Contraband Denial Form: All visitors will be required to prepare and sign, form BP-224(52), "Notification to Visitor Form" prior to passing through the walk-through metal detector. The Lobby Officer will ensure these forms are properly prepared, including the date and time of the visit, and the Lobby Officer's signature. At the conclusion of the day's visiting, the forms will be forwarded to the SIS Office for review and filing.

- 4) Metal Detector (Walk Through and Transfrisker): All visitors will be required to pass through the walk through metal detector, with the exception of Bureau of Prisons personnel and law enforcement officers. Should a visitor refuse to be processed through the metal detector, they will not be permitted entrance into the institution and will be required to depart the institution grounds immediately. If a visitor activates the walk through metal detector, and the cause of the activation cannot be determined, the visitor will be asked to submit to a transfrisker (hand-held unit) search. If activation of a transfrisker cannot be determined, the visitor will be asked to depart the institution, after consultation with the Operations Lieutenant and Duty Officer.

- 5) ION Scan Operating Procedures: The SIS Office is responsible for implementation and oversight review of this program. Anytime a question, concern, or problem arises the SIS shall be contacted. During non-duty periods for the SIS, the Operations Lieutenant will be contacted.

At no time will staff members test themselves or other staff members, other law enforcement personnel, Volunteers, or Contract Employees, or the articles possessed by these individuals at any time.

- a. Visitors who identify themselves as attorneys may not be tested, nor their possessions at any time. Such visitors will be asked to produce a State Bar card as an additional means of identification.
 - b. The only persons that will be tested will be visitors of inmates and their possessions they carry into the institution.
 - c. The Operations/Activities Lieutenant will be responsible for initial set-up and calibration checks of the device prior to the commencement of each visiting period. Once the device is operational, the Lieutenant will enter the Operator's code(s) and the Front Lobby or Visiting Room Officers will commence testing procedures.
 - d. The Front Lobby and Visiting Room staff will be responsible for conducting the testing of visitors, and for completing and logging related documentation and information on the Front Lobby Ion Track Log, Attachment F .
- 6) Black Light Procedures: After each visitor has been properly identified and processing has been completed, a fluorescent stamp will be affixed to a predetermined location on one of the visitor's hands. This will provide an additional means of identification prior to departing the Visiting Room and Front Entrance. Visiting Bureau of Prisons personnel and law enforcement officers will not be stamped, if proper identification has been presented. After hand stamping a visitor, the stamp will be checked to ensure it is visible. If not, the visitor will be re-stamped and checked again for legibility.

- 7) Inmate Identification: Each inmate being processed into the Visiting Room will be positively identified by means of their quarters card, which will be obtained by the escorting officer, or the inmate's commissary card. The quarters card or commissary card will be retained by the Visiting Room Officer. During times when a mass exodus of visitors is necessary, such as termination of visiting hours, the visitors will remain seated until all inmates have been identified by photo, complete separation has been accomplished, and the count verified. The visitors will then be permitted to leave in an orderly fashion under the supervision of the Visiting Room Officer(s). The Visiting Room Officer is responsible for the accountability and identification of all inmates and visitors entering and exiting the Visiting Room.
- 8) Visitor Identification: All inmate visitors, with the exception of children less than sixteen years, must display photo identification (i.e., valid state driver's license or government issued I.D. card) before being permitted into the institution. If the visitor does not have the required photo identification, the Lobby Officer will confer with the Duty Officer and the Operations Lieutenant.

In cases where identification cannot be established, the Duty Officer will be the authorized staff member to deny the visit. The denying official will advise the prospective visitor(s) of the reason for the denial.

All visitors will be photographed by the Lobby Officer. These photos will be controlled by the Lobby Officer to provide positive identification of all visitors prior to their departure through the Visiting Room sallyport. Visitors entering the FTC will have these photographs forwarded to Control for positive identification by the Control Center Officer. Inmate's visitors' photographs will be maintained in the visiting file for future use. More than one person may be photographed (group photo) as long as all persons being photographed are facing the camera and all facial features are clear.

- 9) Visits for Inmates Who Are Not Designated to the Federal Transfer Center:
- a) Admission & Orientation (Holdover) Status: Visits will be limited to immediate family (mother, father, spouse, children, brother, sister).
- b) Hospital Patients (Institution): The Clinical Director, Health Services Administrator, Psychology and Unit Management staff, in consultation with the Captain, will determine if the visit may occur, and where the visit will take place. Only adults (immediate family members) will be allowed to visit inmates housed in the institution hospital.

The Health Services Administrator may deny the visit when the inmate is suffering from an infectious disease, is in a mental or emotional state which makes a visit inadvisable, or is otherwise not in a condition to see visitors. This situation will be explained to the visitor by a member of the medical staff.

- c) Hospital Patients (Local Hospital): Normally, visiting will not be allowed when an inmate is an inpatient at a local medical facility. In instances where visiting is allowed, a memorandum will be prepared by the Unit Team, listing each visitor (the visitor must be immediate family and on the approved visiting list), the date of the visit, and the hours of the visit. The memorandum will be forwarded through the Captain and Health Services Administrator to the Warden for approval. Correctional Services will forward the approved memorandum to the escorting officers at the medical facility prior to the actual visit taking place. If visiting is approved for an inmate in the local hospital, the Operations Lieutenant will send a hand held metal detector, visiting forms and a camera with film to the hospital officers.
- d) Special Housing Unit: Inmates in Disciplinary Segregation and Administrative Detention status will be permitted full visiting privileges, unless their conduct dictates otherwise. If the latter is the case, documentation for denying the visit will be placed in the inmate's Central File, and a notation made in the inmate's visiting file at the Front Entrance. The Captain or the Operations Lieutenant will make this determination. In cases of particular interest or notoriety, the Warden, Associate Warden (Programs) and the Captain will be contacted for approval.

Inmates housed in the Special Housing Unit will sit in a designated location in the Visiting Room, as determined by the Captain or the Operations Lieutenant. For security reasons inmates housed in the Special Housing Unit will be processed out of the Visiting Room at 2:30 p.m. Special Housing Unit inmates wishing to leave the Visiting Room prior to 2:30 p.m. may do so. In cases deemed appropriate, and approved by the Warden, the visiting will be conducted in the Special Housing Unit visiting booths. This would include inmates en route to institutions at which non-contact visiting occurs (i.e., ADX Florence, USP Marion). All Special Housing Unit visits will be limited to adults only, with a one hour limit, under direct supervision of Correctional Services staff.

- e) Holdovers/Pre-Trial Status: Visits will be limited to immediate family (father, mother, spouse, children, brother, sister). Holdover immediate family verification is done utilizing a Pre-sentence Investigation Report or, relationship verification through another federal law enforcement agency, usually the United States Probation Office. The Holdover Unit Team will approve/disapprove visits for all holdovers. Holdover inmate visiting forms which are approved for a visit will be given an expiration date of no more than 60 days from the date of issuance. This approval (to and from dates), will be clearly noted on the visiting form so the Lobby Officer knows when to purge the files. These visits will occur in the inmate Visiting Room, unless otherwise directed.

- f) Attorney Visits: Retained, appointed, and/or those attorneys requested by the inmate will ordinarily be allowed to visit. Prior arrangements with the inmate's Unit Team should be made to prevent delay. Each attorney will present a valid state bar card, in addition to other required forms of identification. Attorney/client visits will be conducted in the inmate Visiting Room, utilizing the attorney visiting room. Ordinarily, attorney visits will be scheduled during regular visiting hours. Special attorney visits may be considered for scheduling during regular work hours, Monday through Friday when an imminent court deadline is verified and takes place prior to the next regularly scheduled institution visiting hours. All special attorney visits will be supervised by the Unit Team. Law enforcement visits will be screened and approved by the Special Investigative Supervisor/Agent. Law enforcement visits will be escorted by correctional services.

Inmates will not be allowed to bring legal documents to the Visiting Room unless prior approval has been obtained from the inmate's Unit Team. Any legal document(s) approved for admission to the Visiting Room will be searched by the Visiting Room Officer, in the presence of the inmate. Attorneys who need legal documents signed by the inmate must inform the Visiting Room staff of their intentions, prior to the beginning of their visit.

Unscheduled visits, or visits after normal visiting hours, will be cleared with the inmate's Unit Team or the Institution Duty Officer. All attorney visits not occurring during regular visiting hours will be supervised by Unit Staff. The Associate Warden (Programs) will approve all visiting, in writing, after normal visiting hours.

- g) Special Visits: Special visits will only be authorized by the Warden, and must be arranged prior to the visit with a memorandum of approval forwarded to the Lobby Officer, Front Gate, Control Center and Operations Lieutenant.

-
- h) Religious Visits: The Chaplain is the delegated authority for arranging. The Associate Warden (Programs) will approval all special visits of ordained ministers and spiritual guides. The Associate Warden (Programs) will approve all visiting, in writing, after normal visiting hours. If a minister visits an inmate as a friend rather than in an official capacity, they must be on the inmate's approved visiting list. Ministers appearing on an inmate's regular visiting list will not be permitted to attend volunteer religious programs. No religious volunteers will be permitted on an inmate's approved visiting list.

If a clergyman or religious representative on an inmate's visiting list requests to serve communion or observe a religious rite of the inmate's faith while in the Visiting Room, the Captain will be contacted. Visiting clergymen will arrange for his or her visit to the chapel prior to arrival, in order for necessary notification to be completed.

- i) Outdoor Visiting: Outdoor visiting is not permitted at this institution.
- j) Visits From Federal and State Investigative Officials: Under normal circumstances, investigators from Federal and State investigative agencies will coordinate visits with inmates with the Special Investigative Supervisor (SIS) or Special Investigative Agent (SIA). If the visiting official is an F.B.I. agent who routinely visits the institution, no subsequent notifications are required.

If the visit has not been prearranged, the Lobby Officer will contact the SIS/SIA. The Operations Lieutenant will be advised of all investigative officials' visits for informational purposes. The Unit Team will refer all investigative officials to the SIS/SIA. Law enforcement visits pertaining to criminal activity will be coordinated and escorted by the SIS/SIA. Law enforcement visits pertaining to inmate litigation or release (i.e., Immigration and Naturalization Service, court recorders, etc.) will be coordinated and escorted by Unit Management staff.

- k) Representative Visits: Representatives (attorneys, family members, friends, etc.) of inmates will be allowed to visit on the day of the inmate's scheduled hearing before the U. S. Parole Commission and/or the Immigration Review Panel. The Lobby Officer will notify the inmate's Unit Team of any individual claiming to be a representative for an inmate. A staff member from the Unit Team will escort the representative to and from the parole/review hearings, providing constant supervision.

E. Denial of Visitor: If the Front Lobby Officer recommends a visitor be denied entrance into the institution, he or she will contact the Operations Lieutenant on duty and the Institution Duty Officer. The Institution Duty Officer, in consultation with the Operations Lieutenant, will make the final decision regarding denial of the requested visit. If the visit is denied, the reasons for the denial will be recorded in the Front Lobby Officer's log book.

F. Administration: The Lobby Officer will maintain current visiting files of approved visitors. Once a visitor has been approved to visit, and processed through the Front Entrance, the Visiting Room #1 Officer will retrieve the visiting file from the Lobby Officer, and escort the visitor(s) to the Visiting Room. The Visiting Room #1 Officer will record the visiting time in/out. At the conclusion of the visiting period, the inmate file will be returned to the Front Entrance for filing. The Lobby Officer is responsible for removing the visiting list of those inmates who are released or transferred, and will forward them to the inmate's assigned unit for placement in the central file. A bound ledger recording the date and time of arrival will be maintained at the Front Entrance for each visitor to sign.

G. Processing of Inmates: Once the inmate's visitor has been cleared for visiting, and the visitor has been seated in the Visiting Room, the Visiting Room Officer will contact the appropriate Unit Officer for the inmate. The Visiting Room Officer will also telephone the inmate's work detail directing the inmate to be sent to his respective unit for escort (with bed book card), or commissary card to the Visiting Room.

The inmate and escorting officer will proceed to the search (shakedown) room of the Visiting Room. The Visiting Room Officer will open the door, receive the inmate and bed book card or commissary card from the Escorting Officer, then direct him into the shakedown room. The inmate's bed book card will be retained during the visit. The officer will conduct a pat search of the inmate, and record the description of items being worn into the Visiting Room. Once the inmate has been processed, he will be escorted from the shakedown room to the Visiting Room for his visit. All inmates will be visually searched when exiting the Visiting Room. Visitors are not authorized access to the search room. If during a visit, an inmate requests to use the rest room, the inmate will be escorted to the shakedown room by a Visiting Room Officer. The officer will remain with the inmate until he is ready to return to the Visiting Room.

Upon completion of the inmate's visit, the Visiting Room Officer will identify the inmate with his picture card before allowing his visitor(s) to leave. All exiting visitors will be checked with the blacklight prior to exiting the Visiting Room. Once the visitor has been escorted to the Front Entrance by staff, the inmate will be visually searched, including the utilization of a transfrisker. Once the visual search has been completed, the Escorting Officer will be contacted and the inmate, along with the bed book card, or commissary card, will be escorted back to his unit. Inmates are not authorized to possess bed book cards at any time. In the event a large number of visitors and inmates remain in the Visiting Room at the conclusion of the visiting session, all inmates remaining will be separated and identified by photo before visitors are permitted to leave. Once the inmates have been properly identified, the group will be moved to the opposite corner of the Visiting Room, while the Visiting Room #1 Officer escorts the visitors to the Front Entrance. The Visiting Room #2 Officer will maintain supervision of the inmates during this time. If needed, the Operations Lieutenant will detail additional staff to assist in visually searching the inmates. No more than two inmates will be searched at one time by one staff member. All searches will be conducted within the approved search room/booth only.

- H. Dress Code/Visiting Room Conduct: All inmates, with the exception of hospital patients, will wear a neat, issued set of institution clothing. Only institution work shoes will be worn by cadre inmates. Tennis shoes may be permitted with a medical slip authorizing soft shoes. Holdovers will be allowed to wear the issued bus shoes. House shoes or shower shoes will not be worn in the Visiting Room. Wedding rings (without stones) and religious medallions are the only jewelry authorized in the Visiting Room. The inmate may wear approved religious headwear during the visit, i.e., kufis, yarmulkes, headbands, etc. Tobacco products will not be taken to the Visiting Room, since this is a nonsmoking area. Inmates from the Special Housing Unit will be required to wear orange jumpsuits.

FTC Oklahoma City Visiting Regulations, Attachment A, will be sent to the visitor by the inmate requesting the visit along with the Visitor Information Form (BP 629). Copies of Attachment A will also be available in the Front Lobby of the institution. Khaki or orange colored clothing, shorts/skorts, as well as sheer or revealing clothing are not authorized in the visiting room. Visitors wearing tight fitting, sexually provocative clothing will be prohibited from admission to the Visiting Room. The Lobby Officer will contact the Institution Duty Officer, who in consultation with the Operations Lieutenant, will make the determination as to allow the visit. which ends above the knee), spandex jeans or pants, halter tops, or see-through clothing. Children under 10 years old may wear shorts. Coats will be authorized if they are in season, or the weather dictates their use. All coats will be passed through the x-ray machine and physically searched by the Lobby Officer, prior to them being authorized in the visiting room.

- I. Termination of Visiting: Visits may be terminated when there are more visitors than space allows, and when visiting conduct becomes indecent, loud, profane, or affects the general order of the Visiting Room. This includes children who are unruly and/or disruptive. The Visiting Room Officer may issue a verbal warning for conduct in violation of this Institution Supplement. Violations will result in the case being referred to the Institution Duty Officer and/or the Operations Lieutenant, for review and/or termination of the visit.

If deemed necessary, the Institution Duty Officer, or in his/her absence, the Operations Lieutenant will advise the inmate and his respective visitor(s) that the visit has been terminated. Whenever a visit is terminated for the above reasons, an incident report will be prepared. Visiting termination cannot be delegated.

Coats will be authorized if they are in season, or the weather dictates their use. All coats will be passed through the x-ray machine and physically searched by the Lobby Officer, prior to them being authorized in the visiting room. The following items are permitted in the Visiting Room: small coin purses, 1 small non-quilted blanket (under 2'x2'), 3 disposable diapers (per child), 3 pre-mixed clear plastic baby bottles, 1 child spill-proof cup, 1 small packet of baby wipes (no more than 20), 1 small tube of diaper rash ointment (if necessary), and 1 small baby's bib. **The following items will not be allowed into the Visiting Room:** Toys, baby foods (glass or plastic containers), spoons, teething cookies, powder milk mixes, extra clothing, or diaper bags. It is a federal crime to bring upon the institution grounds any firearms, destructive devices, ammunition, other object designed to be used as a weapon, narcotic drug, controlled substance, alcoholic beverage, currency, or any other object that threatens the order, discipline, or security of a prison, or the life, health, or safety of an individual without the knowledge and consent of the Warden. 18 U.S.C. Sections 1791 and 3571 provides a penalty of imprisonment for not more than twenty years, a fine of not more than \$250,000 or both, to a person who provides, or attempts to provide, to an inmate any prohibited object. All persons entering upon these premises are subject to routine searches of their person, property (including vehicles), and packages. The Warden, upon reasonable suspicion that a person may be introducing contraband or demonstrating actions that might otherwise endanger institution safety, security, or good order, may request the person, as a prerequisite to entry, to submit to a visual search, pat search, urine surveillance test, breathalyzer test, or other comparable test. A visitor has the option to refuse any of the search or test or entrance procedures, with the result that the visitor will not be permitted entry to the institution. Your refusal of these procedures means that you will not be permitted entry to the institution, and you will be allowed to leave the institution property, unless there is a reason to detain and/or arrest you. The use of cameras or recording equipment without permission of the Warden is strictly prohibited; violators are subject to criminal prosecution. Once a visit with an inmate begins, if a visitor leaves the visiting area, the visit will be terminated. Any exception must be approved by the Visiting Room Officer.

It is a Federal crime to bring upon the institution grounds any firearm, destructive device, ammunition, other object designed to be used as a weapon, narcotic drug, controlled substance, alcoholic beverage, currency, or any other object that threatens the order, discipline, or security of a prison, or the life, health, or safety of an individual without the knowledge and consent of the warden. Title 18 U.S.C. 1791 and 3571 provides a penalty of imprisonment for not more than twenty years, a fine of not more than \$250,000 or both, to a person who provides, or attempts to provide, to an inmate any prohibited object. All persons entering upon these premises are subject to routine searches of their person, property (including vehicles), and packages. The warden, upon reasonable suspicion that a person may be introducing contraband or demonstrating actions that might otherwise endanger institution safety, security, or good order, may request the person, as a prerequisite to entry, to submit to a visual search, pat search, urine surveillance test, breathalyzer test, or other comparable test. A visitor has the option to refuse any of the search or test or entrance procedures, with the result that the visitor will not be permitted entry to the institution.

NOTE: Your refusal of these procedures means that you will not be permitted entry to the institution, and you will be allowed to leave the institution property, unless there is a reason to detain and/or arrest you. The use of cameras or recording equipment without permission of the Warden is strictly prohibited; violators are subject to criminal prosecution. Once a visit with an inmate begins, if a visitor leaves the visiting area, the visit will be terminated. Any exception must be approved by the visiting room officer.
